

Website & Medical Disclaimer

Effective Date: August 2026

The information provided on the Horizon Care Consulting website is intended for general informational and educational purposes only.

Not Individualized Medical Advice

Content on this website may discuss medications, chronic diseases, medication management, clinical services, healthcare outcomes, published research, and other healthcare topics.

This information is not intended to replace individualized medical evaluation, diagnosis, treatment, or advice from a qualified healthcare professional.

Clinical decisions should be based on the circumstances of the individual patient and made through an appropriate healthcare professional relationship.

No Healthcare Professional-Patient Relationship

Visiting this website, reviewing its content, communicating through the website, or submitting a contact form does not establish a pharmacist-patient, healthcare provider-patient, or other clinical relationship with Horizon Care Consulting or its personnel.

No Protected Health Information Through the Website

The general website contact form is intended for business and service inquiries.

Do not submit protected health information (PHI), patient-specific medical information, or other sensitive clinical information through the website contact form.

For patient-specific questions, please contact Horizon Care Consulting directly by phone or use a communication method specifically designated for patient-related communications.

Clinical Evidence and Outcomes

This website may reference published studies, clinical evidence, quality-improvement findings, or outcomes associated with pharmacist involvement in patient care.

Such information describes findings from particular studies, populations, interventions, or healthcare settings. Results may not be applicable to every patient, practice, population, or clinical setting.

References to clinical evidence or outcomes do not constitute a guarantee that Horizon Care Consulting will achieve the same or similar results in any particular patient population or practice.

Services

Descriptions of services on this website are general in nature. The specific scope, availability, responsibilities, clinical processes, and terms of any services provided by Horizon Care Consulting are determined through the applicable professional or contractual arrangement.

Nothing on this website should be interpreted as a guarantee that a particular service is appropriate or available in every circumstance.

Emergencies

This website and its contact form are not intended for medical emergencies or other urgent clinical situations.

If you believe you are experiencing a medical emergency, seek immediate assistance through appropriate emergency medical services.

External Resources

Links to external websites, publications, research, or other resources are provided for informational purposes. Horizon Care Consulting does not control and is not responsible for the content or availability of third-party resources.

No Guarantee

Although reasonable efforts are made to present accurate and useful information, Horizon Care Consulting makes no guarantee regarding specific clinical, operational, financial, reimbursement, or other outcomes resulting from information presented on this website.
